Notes:

1. You must submit a return even if you have not held a lottery in the year for which your registration is valid. In these circumstances, you should enter the value "NIL" in boxes (3) to (11) of this form.
2. If you have held a lottery, you are required to send us the information we have asked for in this form. This meets the requirements of paragraph 39 of Schedule 11 of the Gambling Act 2005.
3. The information you provide enables us to assess whether you have met the financial limits and applied any money raised for the proper purpose.
4. The information you must submit is as follows:
 - a. The arrangements for the lottery (**questions 3, 4, and 5**). This means the dates on or during which you sold or supplied tickets for the lottery, the dates of any draw, and the total value of the prizes. The value of the prizes includes donated prizes. You also need to tell us whether any prizes were rolled over (carried forward) to another draw.
 - b. The gross proceeds of the lottery (**question 6**). This is the total amount of money you raised from the lottery before deducting your costs.
 - c. The total amount deducted from the gross proceeds in respect of the provision of prizes (including the provision of prizes in accordance with any rollover) (**question 7**). This is the amount of money you spent on prizes for the lottery and the value of any rolled over prizes.
 - d. The total amount deducted from the gross proceeds in respect of any other costs incurred in organising the lottery (**question 8**): This can include costs such as printing tickets and promoting the lottery.
 - e. The amount applied directly to the purpose for which the society is conducted (**question 9**). This is the amount of money you give to the society after you have deducted your costs. This amount must be at least 20% of the gross proceeds.
 - f. If any expenses incurred in connection with the lottery were not paid for by deduction from the proceeds, you must tell us the value of these expenses (**question 10**) and from where you obtained the money to pay those costs (**question 11**). For example, you may have received a donation to pay for the tickets, or prizes may have been donated.
