

MOBILE THERAPISTS

A Mobile Therapist is defined as a **“therapist who visits clients in their own homes and does not use a fixed premises for treatments”**.

Mobile therapists do not need a licence to operate, however, for therapists operating within the London Borough of Lewisham, we require that they register with us and provide certain information in line with therapists working in licensed salons.

Please complete the attached form and return to us with the information requested below.

1 x Passport Photo
Original Certificates of qualifications
Hep B Certificates (If Tattooing)
CV of Work Experience (if Tattooing)
Copy of Public Liability Insurance (if held)

Original qualification certificates will be returned once registered.
If the therapists qualifications have been gained outside the UK, they will need to be verified as an NVQ equivalent standard.

There is no fee for registration.

Please return the form to the following address
