

What you've told us so far.....

A GREEN SPACE...

for recreation and relaxation for all ages, a place for play and sports, more trees and planting, more colour through planting and other elements

PLAY...

adventure play spaces for all age groups, places for toddlers to play, educational and historical information and references

SPORTS...

a place to play football and basketball, a place to watch sports

LIGHTING...

more lighting to enhance the estate

IMPROVEMENTS TO THE WATERFRONT...

improve connections to the river, more green along the strand, more seating, more information on history of the area

CAFE OR KIOSK...

a local place to have a drink or get a bite to eat

IMPROVEMENT TO GROVE STREET...

improve the quality of road, provide pedestrian crossings in better locations, better traffic calming measures

A: Upper Pepys Park

B: Lower Pepys Park

C: Aragon Gardens

GS: Grove Square

J: Grove Square Park

D: Longshore Gardens

O: St Georges Square

- Full design of the space
- Minor works to the space
- Develop concept ideas
- Minor improvements
- Identify improvement works required
- ➔ Minor works
- ➔ Further design study to be commissioned by LBL

The brief.....

has been developed and refined based on the comments received in November's community consultations and discussions with a number of active groups within the area.

- A - UPPER PEPYS:** looking at the incorporation of play, nature, linkages, programme and overall functionality of the space.
- J - GROVE SQUARE GARDENS:** Looking at and improving the functionality of the space.
- O - ST. GEORGE SQUARE:** Develop concept ideas for further discussion on action to be taken on space within this scope of works.
- B - LOWER PEPYS:** looking at the incorporation of play, linkages, provision of flexible sports amenity (not necessarily bound by full and formal sport pitch sizes), programme and overall functionality of the space.
- D - FORESHORE GARDENS:** Minor improvements and upgrade works to space to make good.
- LINK from Bowditch, beside community centre through to Space J:** Minor works to be designed and undertaken to improve footpath and lighting.
- GS - GROVE SQUARE:** (the area in front of the shops and community centre on Grove street) - looking at levels, amenity and functionality.
- SPACE I:** Look at and assess this space to identify where improvements could be made and funding monies best spent.
