Dear Sir or Madam

Submission of Lewisham Town Centre Local Plan and Site Allocations Local Plan

We have looked at the Schedules of Proposed Modifications to the Lewisham Town Centre Local Plan and the Site Allocations Local Plan that you have recommended in response to the representations made to the Proposed Submission version consultation and to comply with the new National Planning Policy Framework.

Having reviewed the elements of the Lewisham Town Centre and Site Allocations Local Plans we agree that no further Sustainability Appraisal assessment is required following these modifications. The modifications do not result in any significant alterations to the findings presented in the SA Report and do not impact on environmental policies relating to those topics within our remit. Therefore we stand by our previous representations.

We hope our response is helpful. Please contact me if require any further information.

Yours sincerely

Miss Judith Cooke
Planning Liaison Officer
